

THE ELIMINATOR

Shown with optional side support. Boxes ghosted for illustration purposes only.

Floor mounted stretch bundler. Fast, convenient stretch bundling of larger products. Eliminates costly corrugated cartons, tape, strapping and shrink film, while improving package design and integrity. Bundled product maintains stationary position as film rotates to secure load.

- A must for UPS shippers!
- Precise film stretch control
- Weight capacity to 70 pounds
- 24" x 24" x 24" product capacity

Model	Part Number	Description	Price
